RAYN

ARTIST BIO

Rayn Magic is defining a new age in magic. By applying his artistic and creative abilities in performance and video, he is bringing something fresh to the art form.

Over the past year, he's grown his brand to amass over 60K followers across his social media channels. Some of his videos have hit well over 1 million views and continue to grow each day. He is quickly becoming one of the most talked about magicians of the year.

Rayn began his journey into magic and performance at the young age of 11. Inspired by the likes of David Blaine and his street magic specials, he was immediately captivated by the craft. Once he began to practice and perform his first tricks, he understood the true power of magic. It opened up a world of opportunities to him.

He went from being an introvert to an extrovert and no longer feared public speaking. He learned how to create videos, advertise and book events for himself by the time he was 14 years old. By 18, Rayn was already making his first TV appearances. Rayn is now 24 years old and is recognized as one of Toronto's most sought after magicians. In fact Grace Ormonde, the luxury wedding specialist, just endorsed his event entertainment company Jestr Events.

Most recently, one of Canada's biggest media corporations Much Music has brought him onto their new Much Creator YouTube team. With a line up of new content and opportunities coming his way, Rayn Magic is sure to make waves in the industry.
